

Release Notes

Version 1.0.49.0

We're excited to announce a new enhancement in the DEALS TRS Views section: the **"PAID Deals"** folder.

Here are the guidelines for deals in this folder:

- 1. Once a deal is fully paid for the first time, it will move to and remain in the PAID Deals folder.
- 2. Deals will not be transferred to this folder if they are part of a locked pay period (Pay period step 3).
- 3. If a paid deal is reversed, it will remain in the PAID folder.

We hope this is helpful and enhances your experience giving better visibility and reduce the Deals accumulating in the Compliant - Money in Folder.
